Burt King provided assistance with inquiries through part of the early 2010s when at Central Library, University of Texas at Arlington, Arlington, Texas 76019.

My most grateful appreciation for (a) the assistance of Stacy Maat, Marija Freeland, Susan Turkel, and Sue Wortman at the University of Michigan, who provided significant information regarding changing URLs; (b) all of our colleagues across the nation and world who make recommendations for works to be added; and (c) The University of Texas at Arlington Library for originally graciously hosting this work to make it available to scholars worldwide.

As a content listing of a published work, validity and accuracy of this page does not change over time. The TMSS pages are usually developed from information provided in a variety of locations within the original resource. If any of these pages are copied for modification on another site, please provide proper attribution. This version, originally created in 2000, is covered by all applicable copyright laws. Updated: August 2019.
